

Job Description: FASD Coordinator

Reporting Relationship:

The FASD Coordinator reports to the Chief Executive Officer.

Summary of Role:

The FASD Coordinator will provide professional and confidential services to families of children/youth diagnosed or suspected with FASD, including integrated service coordination supports, provision of information/consultation and service navigation, as well as intake and referral for clients involved in the FASD program. Additionally, the FASD Coordinator will offer and plan sessions to build capacity for parents/caregivers and the community.

The FASD Coordinator will demonstrate an expert knowledge of Fetal Alcohol Spectrum Disorder (FASD) as well as an understanding of social, health, and educational interdisciplinary services and coordination. The position will support Contact Brant's role as the Lead Service Coordination Agency, and specifically the mandate for the FASD strategy, through collaborative work with partner organizations and professionals.

The FASD Coordinator will use a family centred approach; focus on each individual's strengths; effect the agency's stated values and service principles; and support cross-sectoral connections and planning around the unique needs of children, youth and families.

Hours of Work:

The Service Coordinator manages a 37.5 hour work week, with flexible scheduling expected to meet the needs of clients and the agency.

Qualifications:

1. Bachelor or post-graduate degree in social sciences.
2. Minimum of five years' experience in the child/youth service system, with proven skills in service navigation and coordination and expert knowledge of FASD.
3. Extensive knowledge of the range of cross-sectoral supports and services available to children, youth and their families, especially in Brant/Brantford.

Conditions of Employment:

1. Valid Ontario driver's license and current clear driver abstract with a reliable automobile and sufficient insurance for use on company business;
2. Acceptable police Vulnerable Persons Record check; maintaining no criminal convictions for which a pardon has not been granted;
3. Proof of full COVID-19 vaccination, or medical exemption with compliance to requirements for regular antigen testing.

Competencies:

In all activities, the following competencies will be displayed:

1. *Clinical Judgement* - Maintain expert understanding on issues impacting children/youth including but not limited to mental health; developmental; Autism, FASD and other special needs; education; and health to inform and support triaging to appropriate services and the foundation for a coordinated service plan.

2. *Collaboration* - Strong interpersonal skills in the areas of facilitation, collaboration and mediation that support the development and maintenance of good working relationships; a collaborative approach that solicits input from others and cultivates teamwork; inter-disciplinary coordination that promotes and optimizes the health and well-being of the child/youth/family; focus on a holistic and system perspective.
3. *Service Navigation* - Support clients to navigate health, education and social systems, demonstrating respect and family-centered practice; be responsive to the needs of clients.
4. *Judgement and Accountability* - Learn from mistakes; weigh costs, benefits, and risks; respond to time-sensitive information; make sound judgments to plan and coordinate services; and ensure follow-up and communication.
5. *Facilitative Decision-Making and Problem Solving* - Ask questions, probe for answers, and work to build consensus while recognizing the right problems to work on in a focused and positive manner; work with each family's network to identify and address successes, disparities and barriers.
6. *Communication* – Strong communication skills (written, oral, listening and non-verbal); effective interviewing and good active listening skills, including the ability to be empathetic to each unique situation; engage in positive, productive, and proactive conversations that support access to information and integrated planning.
7. *Role Modeling* - Champion the principles and practices of inclusion and equity; lead by example; share expertise and act as a resource to others.
8. *Implementation* - Determine appropriate processes to get things done with sufficient attention to detail to ensure a high level of accuracy and timeliness; strong organizational skills; the highest professional and confidentiality standards; ability to work independently and participate as a team member; flexibility and a sense of humour.
9. *Continuously Learning* - Is an active learner including child and youth best practices as well as relevant legislation; responsible for professional development and acquisition of knowledge and skills, including attending learning opportunities relating to program area, identifying professional goals as well as personal areas for growth; apply newly acquired knowledge in service delivery.

Responsibilities:

1. FASD Strategy:

- Work with children/youth with FASD, or suspected FASD, and their families to lead the development of a support plan based on individual strengths and needs, and informed by the child/youth and family's vision, goals and concerns. This will be documented in the Coordinated Service Plan template.
- Support connections to diagnostic supports, as available, and provide information to families as post-diagnosis support.
- Facilitate access for the family to relevant services; make appropriate linkages to services and supports for the parents and/or the family as a whole in order to enable them to better support the needs of the child/youth. With consent, share information and the service plan so the family doesn't have to repeat their story.
- Work with the family, service providers and educators supporting the child/youth to build capacity and identify strategies to meet the child's needs; explore flexible and innovative approaches and solutions for service delivery to meet the needs of children/youth and families.

- Work to improve awareness of FASD by providing capacity-building opportunities; provide information to parents, caregivers and school personnel about FASD and strategies to support children/youth.
- Engage with different cultural groups (e.g. Indigenous, Francophone) to discuss how to best meet needs of children and youth with FASD in their communities.
- Work in collaboration with the family and relevant providers in the children's services, education, and health sectors; explore flexible and innovative approaches for service delivery to meet the needs of the child/youth.
- Support cross-sectoral planning to identify gaps and opportunities for improving supports for FASD; facilitate the Brant FASD Action Committee.
- Facilitate parent-to-parent connections; support the Brant Caregiver Support Group.
- Coordinated Service Planning: As outlined in the Ministry's *Coordinated Service Planning Guidelines*, utilize a strengths-based, family-centered service approach to support families by acting as one identifiable point of contact; link families with the right information and help them understand and manage their short and long-term service goals; facilitate the coming together of relevant providers in the children's services, education, and health sectors, to develop and maintain a service plan for the child/youth and their family; support connection to Coordinated Service Planning when intensive coordination supports required and remain involved as part of the CSP team for the family.
- Coordinated Information: Maintain up-to-date information and knowledge about services and resources offered by Ministry-funded service providers and the broader community to be able to provide timely, clear and accurate information and consultation to children/youth, families, professionals about community resources.
- Single Point of Access/Coordinated Access: Complete intake and referral as required for your caseload; support streamlined access to child and youth services, as well as to other community resources, to reduce the need for clients having to repeat their story to multiple providers; engage family/ child/youth in the process of gathering intake information; build on information others have gathered; ensure information is obtained that includes contexts in which the child/youth spends time, including community-based programs and supports, education, and health interventions; utilize information gathered to develop a comprehensive understanding of the strengths and needs of the child/youth/family; capture the client's story in the appropriate Contact Brant tools, including the Common Tool for Intake.
- Collaborative Experience: Support a coordinated, collaborative experience for the child/youth and family by arranging case conferences that bring together family and relevant service providers to develop and support an on-going integrated service plan, as well as connecting with existing and potential services and supports.
- Wraparound Approach: Provide leadership in the development and maintenance of a wraparound team-based approach; demonstrate strong facilitation skills in order to steer the process toward the development of a coordinated service plan to address the client's priorities; work collaboratively with services to ensure roles and responsibilities are clearly identified and implemented, and transitions for families are as smooth as possible; work with community partners to develop

interagency processes that support transparent, seamless, effective and efficient delivery of client services.

- Monitor how children and youth are progressing through their services: Support families through their service experience as needed; identify any changes in client need and prioritization; communicate regularly with the child/family and service providers to support an on-going integrated service plan; explore flexible and innovative approaches for service delivery to meet the needs of each child/youth.
- Holistic Support to Family: Facilitate access for the family to relevant services; make appropriate referrals and linkages to services and supports for the parents and/or the family as a whole in order to enable them to better support the needs of their child.
- Transition Planning: Address transition planning across the ages and changes for each client as outlined in the Ministry CSP *Guidelines*; facilitate integrated transition planning for youth as outlined in the *Transition Planning Protocol and Procedures for Young People with Developmental Disabilities*; include transition plan goals in the Service Plan.
- Case Resolution: Provide leadership in the agency's case resolution function by communicating consistently about expectations for Complex Special Needs funding, as well as supporting a coordinated plan for children/youth with complex needs and their families when community resources have been exhausted and specialized resources are required; identify appropriate reviews for children and youth on your caseload with multiple, complex needs, including transitional aged youth, to support problem solving and integrated planning; provide comprehensive and professional reporting to the Ministry, as required.
- Residential Placement Advisory Committee (RPAC): Support the agency's role to facilitate RPAC by ensuring appropriate reviews of children and youth at RPAC, meeting expectations outlined in legislation as well as agency policy and procedures.
- Support the agency's role in managing the Community Information records by identifying new services and changes to existing services.

2. Professional Expectations:

- Represent Contact Brant in a professional manner at all times by maintaining professional and ethical conduct and behaviour; exhibit stated agency values.
- Adhere to agency Policies and Procedures as well as Service Principles.
- Maintain confidential, professional case files meeting Recording Standards Policy requirements.
- Respect the role as a health information custodian – fully understand privacy legislation; ensure informed consents are received from clients and information is only disclosed to those for the purposes intended.
- Fulfill all requirements of client record keeping in a timely manner and document data required by the Ministry and agency.
- Be familiar and cognizant of existing and new resources and information pertinent to the child/youth service systems.
- Demonstrate strong communication skills. Communicate concisely, clearly and in a manner that is appropriate for the listener; provide written reports in a writing

style appropriate for the reader; use reflective listening skills; and use non-verbal communication that is compatible with the message being conveyed.

- Support quality assurance by regularly requesting and receiving client feedback (including the FASD MPOC) as well as implementing evaluation strategies to assess the service impact.
- Identify gaps and needs in the service system to support planning and improving services offered in the community.
- Promote Contact Brant through presentations, participation in events, and committee membership; support integration with other Contact Brant services.
- Act as a liaison in the community at large through development of good working relationships with external colleagues and organizations.
- Promote effective teamwork through daily interactions with co-workers and participation in staff meetings.
- Facilitate working relationships with providers in child/youth services, the health and education sectors in order to enable their regular contribution into service delivery and planning.
- Develop and foster effective working relationships with clients, cross-sectoral service providers, schools, other Coordinating Agencies (specifically FASD services), and other community stakeholders to facilitate effective coordination of services for each client.
- Work with community partners to develop interagency processes that support transparent, seamless, effective and efficient delivery of client services.
- Respond promptly to issues and feedback identified.
- Keep the Chief Executive Officer abreast of issues related to caseload as well as matters that could impact Contact Brant both operationally or strategically; identify gaps and needs in the service system to support planning and improving services offered in the community.
- Actively participate in the Community of Practice for Brant's Service Planning Coordinators.

The FASD Coordinator is an integral member of the Contact Brant team. It is expected that the FASD Coordinator will contribute to problem solving with regards to improving services, efficiency and effectiveness of the organization.

This job description may evolve with the changing operational requirements of Contact Brant. With this in mind, the position is not limited to the duties outlined above.
